CHURCHES OF CHRIST, SCIENTIST

"Substance" is the subject of the Lesson-Sermon on Sunday in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass. The Golden Text is from Philippians: "My God shall supply all your need according to his riches in glory by Christ Jesus." A passage from the Scriptures in the Lesson-Sermon are the verses from I John: "Love not the world, neither the things that are in the world. If any man love the world, the love of the Father is not in him. For all that is in the world, the lust of the flesh, and the lust of the eyes, and the pride of life, is not of the Father, but is of the world. And the world passeth away, and the lust thereof: but he that doeth the will of God abideth for ever."
